Let's Spread The Goodness... Share Customers Best Practices

In order to promote culture of Energy Conservation, Safety, Digitalization and Quality across, Tata Power-DDL has launched a unique initiative **"Let's Spread The Goodness... Share Your Best / Unique Practices"** for its Industrial and Commercial customers. Under the initiative, a particular set of Industry and Commercial establishment shall be selected in area of Tata Power-DDL and nominations shall be sought from them to share their best practices on underlined aspects.

Key intent behind launching the initiative is to reward the best entries and to share the best practices with all so that the same may get replicated. Nominations from schools were sought and 2 winners from all the entries were screened, the winners include Prabhu Dayal Public School and Vikas Bharti Public School. Also a felicitation ceremony was held on 22nd June'21 for giving rewards to the winners.

Virtual Industrial Welfare Association Meet

In an endeavor to stay connected during this ongoing pandemic, Tata Power-DDL organized a virtual meeting with its Industrial customers of Bawana on 2nd June'21.

During the Meet, customers were imparted awareness on the new initiatives taken. Also the team shared session on Home Automation and Industrial Safety. Further information regarding measures being taken up to enhance reliability and safety of supply, were shared. The participating members appreciated the initiatives taken up by Tata Power DDL to enhance reliability and quality of supply with improvement in network.

The customers expressed their wholehearted appreciation for such proactive initiative and exemplary services.

Go Green Go Solar

Tata Power-DDL has provided its Industrial and Commercial customers with an opportunity to save energy and reduce their electricity bills by installing solar panels at their premises.
