Mobile Dispensary for Industrial Workers

In line with the Community Engagement Initiatives and to provide economical & quality medical services to workers, a health check-up camp (through Mobile Dispensary) was successfully organised on 14th December 2021 for the industrial workers of Mangolpuri Industrial Area in collaboration with Eduquest NGO. During the camp, workers were also imparted awareness on the nuisances associated with Smoking & Chewing tobacco. More than 160 workers benefitted through this camp. The services included:

- Free consultation for workers and Free medicine distribution
- Blood pressure & Sugar check-up
- Counselling to increase awareness on basic health and hygiene and preventive health and to provide awareness on Occupational health.
