## Tata Power-DDL's Energy Efficient Products Lighting and Fans Scheme

Tata Power-DDL is offering Energy Efficient Products (EEPs) such as Bulbs, Tube Lights, and Fans which have low maintenance and usage costs. The range of products includes LED Tube Lights and LED bulb which are durable and use up to 75% less energy than any other incandescent bulbs resulting in the reduction of monthly energy bills. In addition to lightings, options for BLDC fans at discounted rates is available. With the added convenience of remote control, BLDC fan is a financially and environmentally smart choice for customers as it consumes half electrical load as compared to ordinary fans. You may also order fans of your choice through our website (<https://www.tatapower-ddl.com/dsmportal/applyacscheme.aspx>) or they can mail us at [sales@tatapower-ddl.com](mailto:sales@tatapower-ddl.com).

Below are some highlights of lighting and fan schemes:
