

Monthly Newsletter – AUGUST 2021 Edition

Inauguration of two RO Plants in Government Schools

Tata Power-DDL in collaboration with Tata Power Trading Company Limited (TPTCL) have dedicated two Commercial RO Plants in Govt. Girls Sr. Secondary School, F-Block, Inderpuri and Sarvodaya Kanya Vidyalaya, C-Block, Naraina, Delhi. The two RO Plants were jointly inaugurated on 28th August, 2021 by Mr. Raghav Chaddha, Hon'ble MLA Rajendra Nagar Constituency, Mr. Ganesh Srinivasan (CEO, Tata Power-DDL) and Mr. Amit Kumar Garg (CEO, TPTCL). The event was also graced by the presence of Mr. Dwijadas Basak, Chief (Customer Experience, Commercial & SIG), Mr. KK Suman, Chief (SIG, VCG, CCG & SIG), Mr. Rakesh Sharma, Head (City Circle), Ms. Geetanjali Tripathi, HoG (SIG), District team, Team BU (MTN), Govt. Affairs & Corporate Communications Group, Team SIG-Ujjwal & Sanjeevani and officials from TPTCL along with the Principal, school staff and School Management Committee (SMC) members. The installation of RO water plants is a significant step towards helping the beneficiaries get access to safe drinking water. Tata Power-DDL has installed 83 such RO Plants till date at Educational Institutions, JJ Clusters (Slums), and Delhi Metro Stations catering to 3.78 Lakh people every day.

"Water is life, and clean water is essential for health!"

Mohalla Clinic - a new dimension in Healthcare system

Based on the Delhi Government's request, Tata Power-DDL has facilitated 2 portable Mohalla Clinics to the Ministry of Health & Family Welfare, Govt. of NCTD which are installed in the Jhuggi Bastis of Shakurpur and Rani Bagh area. Portable Mohalla Clinics or Community Clinics in Delhi is a revolutionary change in the Health Care system, which is space effective and is built inside portable shipping containers fully air conditioned. Building a permanent structure is a challenge due to space constraints. Delhi is the first city to introduce the flagship concept of Mohalla Clinics, meant to boost the primary healthcare system. A typical Mohalla Clinic has a doctor and a midwife-cum-nurse. It provides an array of diagnostic services and essential medicines free of cost.

"Building a resilient & diverse healthcare workforce!"

Plantation Drive: Building a Greener Planet

Plantation is a way to ensure a green, healthy future. For the same, Social Impact Group organised a Tree Plantation Drive under the initiative 'Harit Ek Pehal' on 19th August, 2021 at the Govt. Girls Sr. Secondary School, AnandVas, (Kohat Enclave). The activity was successfully completed with 100 saplings being planted with the help of teachers, principal of the school and Tata Power-DDL officials. The occasion was graced by Chief Guest Mr. Anil Chaudhary, International Cricket Council (ICC) Elite Panel Cricket Umpire along with Senior dignitaries from Tata Power-DDL, Mr. Dwijadas Basak (Customer Experience, Commercial & SIG), Mr. KK Suman (Chief-SCG, SIG, VCG & CCG), Ms. Geetanjali Tripathi (HOG-SIG) and Team Club Enerji. The Chief Guest Mr. Anil Chaudhary appreciated the work done by the school and Team Club Enerji in order to sensitize the students about environment.

"Planting a tree is the easiest way to align yourself with the cosmic rhythm!"
