Contribution of Tata Group towards COVID-19

Tata Trusts and The Tata group companies have in the past risen to the needs of the nation and in the current grave situation of India with the outbreak of COVID-19, the need of the hour is greater than any time. Therefore Tata trusts continues their pledge to protect and empower all affected communities, and has therefore **committed Rs.500 Crores** to resolve this pandemic situation. In addition to this Tata Sons have also contributed an **additional Rs.1000 Crores** towards COVID-19 crisis.

This is a time when we need to fight this crises together, therefore we request everyone to contribute their bit in whatever way possible – by donating to Govt. relief funds, supporting NGO's, helping our neighbors, friend and family in need, and by staying safe at home ourselves.

Let's come together in India's fight against Corona virus.

Tata Power-DDL supports community

Tata Power-DDL has always stood with the community whenever needed & has contributed in many ways. In these tough times as well, apart from providing consistent power supply, it has provided 50000 meals under Govt. of NCTD's Hunger Relief support Fund. In addition to the above, our Mobile

Dispensaries are conducting sessions in JJ Clusters on official information released by Ministry of Health on COVID-19. RO Plants installed in schools & community are kept functional to ensure that safe drinking water is accessible to inhabitants of shelter homes i.e. schools & community itself.
