

Monthly Newsletter – NOVEMBER 2021 Edition

Educational Kits Distribution to STC students

Tata Power-DDL launched 'Meri Paathshala' initiative in 2019. Under the ambit of the initiative, Tata Power-DDL in collaboration with Government of Delhi provides Educational support to the Out-of-School Children enrolled in the Special Training Centres (STCs) and helps them to gain formal education and curate a brighter future through the power of education. Therefore, to take a step further, 600 students were provided with educational kits including books, stationary, bags, shoes etc. to keep them motivated.

Pradhan Mantri Kaushal Vikas Yojna" Training to Electricians under "SURAKSHA KAVACH" Project

Tata Power- DDL conducted a Training cum Assessment program for Electricians on 24th November, 2021 at Cenpeid in association with Havells. The training program was conducted by subject- matter experts with many years of experience and addressed the learning and development needs of the beneficiaries.

A total of 54 pass- out Electricians from ANK Badli participated in the training cum assessment program. The program was conducted in two batches. We also received support from Energy as a Service (EaaS). Refreshments and gifts were provided to the electricians at the end of the program.

Community Outreach program on Eye Care

With the objective to ensure a healthy Eye sight in the targeted community in the age group of 50 and above residing in the JJ clusters, Social Impact Group has organized a free Eye Check-up camp (First Phase) in November 21 in collaboration with Sant Parmanand Hospital with Eye care facility under its Sanjeevani program.

The Eye Checkup camp was organized on 29th November 2021 at our Vocational Training Centre, P4 Sultanpuri, wherein 52 senior citizens of the nearby community availed the services. During the camp 20 people were diagnosed with Cataract, 15 people were prescribed for Eye refraction issues and the remaining people were advised for using Eye drops and regular medicines to ensure healthy eye sight.

The people who were diagnosed with Cataract surgery were facilitated for further treatment at Sant Parmanand Hospital on 2nd & 6th December for conducting Cataract operations.

Virtual Session on Electrical Safety under Club Enerji

With the increasing pressure on natural resources and limited quantum of fossil fuels, 'Electricity saved is Electricity generated, becomes the mantra for sustainable growth.

To reduce the impact of climate change, Tata Power-DDL organized virtual sessions on electrical safety in the month of November, 2021 for MGP district. The session was taken by Mr. Amritesh Gupta (TA to DM- MGP). The session focused on the importance of energy conservation and electrical safety. 550 students from MGP schools from classes VII, VIII and IX, respectively participated in the session. These virtual sessions are helping us to direct the attention of the students to more urging issues which will pave a way for their future. The participants took a pledge to combat the ill-effects of climate change and promised to continue spreading this message further in the community so as to bring about a change in society.

Information Corner- Upcoming CSR initiatives

BLOOD DONATION CAMP

Social Impact Group under its Sanjeevani program would be organizing Blood Donation Camp on **15th December, 2021** in coordination with District Team **Bawana at its District Office** from 10.30 am to 4.00 pm for benefit of the Thalassemia affected children.

The Camp would be organized in association with **Indian Red Cross Society (IRCS)**.

We request all Tata Power-DDL and BA employees to come forward and contribute your bit for the noble act of blood donation.

Please participate in large number and also motivate your colleagues, seniors and juniors to participate in the camp. Your donated blood can give someone a second chance to live life.

Donate Blood...Gift A Life!!!!

Important Note for the Blood Donors: As advised by the IRCS, Employees who wish to donate blood are advised to come with full stomach and only the person who has been vaccinated last dose against Covid-19 with 15 days gap and the Covid-19 patient with 28 days gap after full recovery is only eligible for donating Blood as per the National Blood Transfusion Council (NBTC) guidelines
