

October 2019

RO Plant Inauguration

To provide safe drinking water, Tata Power-DDL installed an RO Water Plant at Government Girls Senior Secondary School, Mukundpur, Burari on 25th Oct 2019. The inauguration was done by Mr. Sanjeev Jha (MLA - Burari) and Mr. Pramod Kumar (Deputy Director of Education) in the presence of Mr. Sanjay Banga (CEO, Tata Power-DDL) and other senior officials of the company. The RO plant will quench the thirst of 7,000 students of the school every day. This is an addition to the existing 71 such RO plants at educational institutions, JJ clusters and Delhi Metro Stations.

Contributing to the holistic development of students!

Arogya Project

Tata Power-DDL launched Project Arogya on 3rd Oct 2019 in Udham Singh Park, Wazirpur Industrial Area to curb the issue of existing malnutrition in children and expecting mothers residing in areas that come under its operation. Initially, the project is being supported by 6 Aanganwadi workers & NGO Eduquest and aims to create awareness about the need for a healthy diet and prevalence of malnutrition in children, pregnant & lactating women. The **Impact4Nutrition** platform is being utilized as the knowledge partner that provides various aids, capacity building and demo sessions along with toolkits for the beneficiaries.

A step towards healthy India!

Eye Care Camp

Tata Power-DDL organised a free eye care camp for the residents of Jahangirpuri on 18th Oct 2019 wherein 125 people of the nearby community between the age group of 50 to 70 years were given free eye check-up. Approximately 65 people were diagnosed with Cataract and 35 people were diagnosed with Eye Refraction issues. These patients were referred to Sant Parmanand Hospital, where they can access free treatment for Cataract and get free spectacles with the support of Tata Power-DDL. The rest of the patients were prescribed eye drops and regular medicines to ensure healthy eyesight.

Improving sight, to make their future bright!

CSR Initiatives launched in Lucknow

Mr. Pankaj Kumar Singh (HOD-SIG) & Mr. Anurag Shukla (Chief Project Manager, Saarthi, Lucknow) formally launched CSR initiatives in Lucknow, which has officially begun in April 2019. Tata Power-DDL is successfully running 6 different initiatives with more than 1200 beneficiaries including Vocational Training Centers, WLC, SHG, Club Enerji, Eye Camp and Non Formal Education. The officials of Tata Power-DDL & NGO Partner - Sofia interacted with the VT center beneficiaries and motivated them for their future endeavors.

Expanding our horizons for social contribution!

Tata Swach training for ABHAs

In collaboration with SCG and Tata Chemicals, a training was conducted for the ABHAs at Gulabi Bagh to promote the practice of consumption of safe and pure drinking water. Tata Chemicals' faculty encouraged women to use and promote gravity based water purifier - 'Tata Swach'. The training will enhance the employability opportunities for the identified 200 ABHAs as they will promote the usage of Tata Swach water purifiers in the community. To give impetus to the initiative, the Tata Swach water purifiers will be made available on subsidized rates.

Volunteer Experience

-Raj Kumar Kalia (CSR Champion Bawana)

'In the last few months, I along with the team of District Bawana conducted different activities like tree plantation, career counselling in schools, Club Enerji sessions, Community Reach Out Program etc. During the Tata Volunteering Week (TVW), we conducted a cleanliness drive followed by a mega tree plantation drive at Govt. School Bawana. The school administration also participated in the drive and highly appreciated the enthusiasm shown by Tata Power-DDL employees. Team Bawana consistently participates in the various volunteering activities while contributing their bit towards the society. It is an overwhelming experience to work with the Social Innovation Group as a CSR Champion.'

Sustainable Development Goals

4 QUALITY EDUCATION

15 LIFE ON LAND

6 CLEAN WATER AND SANITATION

3 GOOD HEALTH AND WELL-BEING
