### Volunteer Experience Corner

#### Tata Volunteering Week 16

*Tata Volunteering week cultivates unique opportunities while building stronger and more supportive communities through volunteerism and responsibility for building future leaders.*

The Tata Volunteering Week - 16<sup>th</sup> Edition (TVW 16) was organised from 5<sup>th</sup> September 2021 till 7<sup>th</sup> October, 2021 with the theme 'The Power to change the world is in your hand'. The aim was to motivate people to use their power and skills to bring smiles, transform lives and spark hope. The month long program offered companywide virtual and on ground volunteering opportunities which allowed volunteers to choose a cause they are passionate about, leading to better outcome and positive impact. Senior leadership team members, employees and BA employees enthusiastically participated and engaged in various activities for the welfare of the communities. It is thrilling to announce that we have collectively achieved more than **43,000 hours** by support of more than **14,000 volunteers (multiple employee participation)** in this edition.

Some of these activities include Plantation Drives, Health and Hygiene Kits Distribution, Visit to old age home, Literacy week celebration, various Expert sessions such as on Employability Skills, Ethics & Values, Electricity generation in Thermal Power plant, HV/LV Transformer-servicing and maintenance for Pan India ITI Instructors and students, Industrial visits at Transformers, Sessions on Cyber Security, communication skills, Cleanliness Drives, Walkathons on Various Social Issues etc.

This edition of volunteering week stands distinguished from others for the impact it has created and the wide community reach out.
