

TATA POWER-DDL

Workshop on Solar & Smart Energy Management Solutions

In our constant endeavour to provide state-of-the-art Value Added Services, TATA Power-DDL organised '*Smart Energy Management Solutions*' Workshop at IWA Narela office and CETP Plant Mangolpuri on November 11, 2021 and December 14, 2021 respectively. A special counter of Energy Efficient Products like BDLC Fans, LED, Home Automation Products was also placed during the event.

Both events witnessed enthusiastic participation from respective IWA members/C&I customers. Awareness on Smart Energy Management Solutions & Solar Installations was found very relevant and useful by them. The members appreciated the event and initiatives taken up by TATA Power-DDL towards ensuring optimum utilization of energy.
