

**TATA POWER-DDL**

Towards a *Greener* Tomorrow

## Energy Efficient Water Heater

### SAFETY FEATURES

**TATA POWER-DDL**

Towards a *Greener* Tomorrow

Tata Power-DDL, in collaboration with Voltas, is offering exclusive discounts on water heaters for TP-DDL's consumers. These water heaters feature innovative quartzline technology, delivering superior corrosion resistance and anti-rust properties when compared to conventional inner tank designs, all while ensuring an extended lifespan.
